

REMARKS/ARGUMENTS

In the Office Action mailed May 21, 2008, the Examiner rejected claims 1, 2, 5-9 and 11-18 under 35 U.S.C. 112, first paragraph for lack of enablement.

Claims 1-2, 5-9, and 11-18 are pending in this application.

Applicant amended claim 1, incorporating limitations of claims 13 and 14, and definition of variables, as suggested by the Examiner.

In making these revisions, care has been taken to ensure that no new matter has been added.

Applicant respectfully submits that pending claims 1, 2, 5-9, 12 and 15-18 as filed and recently amended are novel and patentable in view of the prior art, and the application is now in condition for allowance, which allowance is respectfully solicited.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
